Personal data is collected for registrations to the City of Vantaa's free hobby activities under the Finnish Model for Hobbies and for communication related to hobby activities. The general legal basis for processing personal data is a customer relationship (Personal Data Act, Section 8). The data collected in the register is stored only for as long and to the extent necessary in relation to the original or compatible purposes for which the data was collected. Personal data stored in the register will be deleted when there is no longer a lawful basis for its processing.

Personal data provided in connection with registration is transmitted via a secure connection and processed confidentially. The data is made available and disclosed only to the cultural producer coordinating the hobby activities, the hobby instructors, possible substitute instructors and assistants, and the manager and coordinator responsible for the hobby activities, in order to ensure children's safety and privacy. The disclosed data will not be used for other purposes or disclosed to third parties beyond what is stated above.

I consent to the collection and processing of my personal data for the purposes stated above.
